HELLO!

I can only imagine how difficult and overwhelming your journey must be! I admire and respect you for considering adoption and would love to work with you on an open adoption plan if that's your wish. **It has been my life-long dream to be a mom.** I am so excited to be adopting; I believe children are a gift from God, and we get to see glimpses of heaven through them!

A LITTLE ABOUT ME

I have an outgoing, bubbly personality and a lot of energy! I am giving, independent, and a strong joyful woman. I grew up in the country on a dairy farm with an appreciation for hard work, family, and farming. After college and receiving my CPA, I now work in corporate healthcare in IT and live in Minneapolis. I have a close-knit family of 3 siblings and 12 nieces and nephews. I aspire to nurture, comfort, and guide a child as I have my nieces and nephews.

My Promise To You

To raise your child with an understanding and appreciation of the sacrifice you are making and to always share how much **YOU** love them! To provide them with guidance, good morals, and an opportunity for higher education. To give them the childhood I was blessed with and to love and support them unconditionally while offering a life full of happiness, laughter, and fun!

MY VALUES

I treasure my parents and the elderly (they have so much wisdom). I am a hard worker, a Christian and aspire to always do my best.

AS A JOYFUL PERSON, I'M "ALL IN" ON THIS ADOPTION JOURNEY!

MY SUPPORT POSSE

My large support network includes my wonderful family, friends, church family, neighbors and co-workers. Being known as caring and compassionate, I've established countless enduring friendships, both male and female. I do hope to find Mr. Right and be married one day. Everyone is super excited that I am adopting!

thank you

Thanks for reading my letter and getting to know a little about me and my family. You're in my thoughts and prayers even though I don't know you yet.

I would LOVE to hear from YOU!
