

# Kyle & Bridget

**Hello!**

We cannot begin to understand your difficult situation, and we hope that we can help you through it! Family means everything to us, and we can't wait to grow ours with your help! We welcome a relationship with you!

## **About Us**

We have been together for about eight years, and a lifetime more to go! We live in a rural area outside of Milwaukee (just about 5 hours from Minneapolis). After five years of marriage, many doctors, and even more prayers, God has answered our prayers and given us Hudson James, through adoption. We cannot wait to bring another child into our home, to share our lives, our Faith, and our loving family. Hudson is excited for a sibling too!

## About Kyle

Kyle can't wait to teach our children how to ride a bike and water ski. Kyle has two brothers, and they are so proud to be uncles! His hobbies include snowmobiling, jet skiing, building racecars, and giving Hudson baths. Kyle owns and operates his own Powersports Dealership, where he sells and fixes recreational vehicles.

## About Bridget

Bridget takes such joy in being Hudson's mom and can't wait to add another little one to the family! She has a lot of experience with children, being from a family of 13 children and 70 nieces and nephews! Her hobbies include spending time at the family cabin on the lake, knitting, and traveling. Bridget works very part-time as a Nail Technician at her salon.
