

David & Jillianna

Hello!

We are David and Jillianna. Thank you for taking the time to get to know us and our story! We are excited about meeting and knowing you. After struggling with infertility, we feel that God is now calling us to grow our family in a special way. Jillianna was also adopted. We admire your courage and strength, and we have an abundance of gratitude for you and welcome a relationship if you wish.

Our story:

Having met 10 years ago, we've been married for 5 years. We live in an awesome family oriented neighborhood in suburban Minneapolis. Family and friends are so important to us and we see them often. We enjoy the outdoors: tennis, fishing, bowling, traveling, camping, concerts, and going for walks.

David & Jillianna

About David:

David is a compassionate, fun-loving and caring person with a bit of sarcasm! He enjoys fishing, boating, hiking and motocross. He loves home remodeling projects and always helps family and friends with their projects. David works as a Software Engineer and strives to come up with organic and innovative ideas. When he plays with our nieces and nephews, he is gentle and loving. He will be a great dad!

About Jillianna:

Jillianna is nurturing, joyful and loves life! She works as a Relationship Manager at a major bank. Originally from South Korea, she was adopted as a teenager along with her siblings. Jillianna speaks Korean fluently and loves Korean food. She enjoys running, biking, hiking, crocheting and yoga. She is loving, caring and giving with our family and friends and is always there for them. She especially adores our 4 young nieces and nephews and cannot wait to add another child to the "gang". She will be a wonderful mom!

Thank you!

Adoption is very close to our hearts! Jillianna was adopted and has an open relationship with her birth mother. We have a lot of love to give and feel blessed to have the opportunity to parent your child. Thank you for getting to know us!

We would love to meet you and share your journey.
With much love, David and Jillianna
