MOCHA & COLA SNUGGLE

NUGGET WANTS TO DRIVE!

Hi There!

I have always dreamed of building my family through adoption, and I am excited for the opportunity that you may consider me as a parent for your child! I have a wonderfully supportive and close-knit family, and we are all looking forward to growing our family through adoption. I can't walk in your shoes and I would love to connect with you to understand the ongoing relationship you envision moving forward.

Education and Profession

I have a master's degree from the U of M and enjoy my career in administration of pediatric research.

About Me

I am a caring, organized, and patient individual who enjoys the relaxed environment of the metro suburbs. I am very close to my parents (and live only 20 minutes away). My life is surrounded with my two cats and dog as well as my parents' 3 cats and dog. I enjoy going to local parks to walk the dog, spending time with friends, and relaxing at home. Traveling is another interest: visiting Disney World and traveling internationally – both with family and friends.

My Values

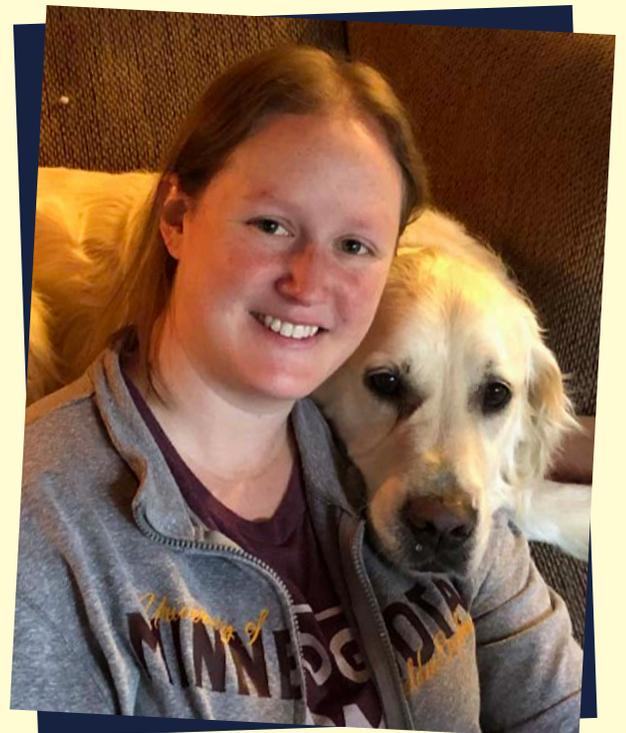

I value education and plan to encourage my child to do their best. I cherish family and friends as a source of strength, love and acceptance. I will show my child love and affection and fill their days with wonderful experiences: the zoo and children's museums, playing sports, food truck fairs and cultural events, the beach, concerts and musicals, and giving back to the community!

Thank You

Thank you for taking the time to look at my letter. I promise to provide a loving, and adventure-filled life for your child.

I hope to hear from you soon!

- Lisa
