

# Cristina & John

## HELLO!

Thank you for reading our letter and learning more about us. We admire your loving decision to make an adoption plan, and hope you will consider us! Our hearts go out to you during this difficult time. We would welcome an open adoption if you wish. We have wanted to be parents for a long time and we hope this letter gives you a sense of our hearts for family, children, and adoption!

## WHY WE CHOOSE ADOPTION

We have struggled with infertility, but always knew that we wanted to grow our family through adoption. We have several friends who have adopted, and have seen what a rewarding and life changing experience it can be.

We grew up in loving and happy homes and want to provide that same experience for a child. We believe adoption reflects God's love, and we can't wait to welcome a child into our family through adoption!

*Bella*  
is our loving &  
affectionate cat.

## CRISTINA by John

Kind, nurturing, and compassionate, Cristina has always wanted to be a stay-at-home mom! She is a loving wife and also makes me laugh. The sight of a child melts her heart. She has spent much of her life caring for others as an ELL teacher and a volunteer with children in church.

*I know she will be an amazing and devoted mother!*

## JOHN by Cristina

Patient, kind-hearted, and hard working, John has an incredible heart for people in need. He is a devoted husband and a loyal friend. Although he works as an engineer, he is passionate about family and children, and is a fun-loving 'uncle' to his friends' children.

*I know that he will be a loving and wonderful father!*

## LIFE WITH US

We are very close to our extended family and they remain a very important part of our lives! Our families are supportive of adoption and will wholeheartedly welcome an adopted child. We love: spending time outdoors, hiking and biking, traveling, reading, living a healthy lifestyle, gardening, volunteering at our church, serving refugees, and learning about different cultures.

We live in a quiet, safe, multi-ethnic neighborhood in suburban St. Paul. Our backyard has lots of play space, and bike trails and parks are close by.

## VALUES

We value a home filled with love, kindness, respect, and laughter. We will love our adopted child unconditionally and help him/her grow into the person God created.

Thank you for taking the time to read our letter.

We would love to hear from you!

*With gratitude,  
Cristina and John*
