

# LEENA and MARTY

## Dear friend,

Thank you for taking the time to consider us for this gracious and loving decision.

We are sincerely excited to start a family and hope this letter provides you a good introduction of us.

We will support and care for this baby with all our love and are open to an adoption plan that works for you and us.

## A Little About Us

Married in 2004, we love the outdoors—walking, cycling and canoing.

We both enjoy reading, playing board games, watching movies, cooking and visiting with family and friends.

We love children and babysitting our niece and nephews since they were infants. We have always wanted to become parents and raise children. Infertility has delayed our dream, but now we are thrilled to embrace the gift of adopting! Marty's close friend was also adopted.

## Families

There is an abundance of love and support within our large, loving families. Leena's parents and sisters are anxiously awaiting the arrival of our adopted baby! Marty's family is equally excited. Both our families have been growing with nieces and nephews and this is an exciting time to add to the joy!

## Home

Our home is a 4 bedroom, built on 2 acres, in the north metro, in a quiet, family friendly neighborhood. We can't wait to fill our home with the joy of raising children.

## Parenting & Values

Now established in our work, we have flexibility, affording us the luxury of spending more time with family! Our goal is to be good role models, make communication a priority and spend a great deal of time as a family. Raised to respect others and to love others we both embrace Christianity.

## A summary of MARTY, as told by Leena

Marty is a remarkable man—loving, compassionate, and an amazing husband. He loves reading, writing, walks, watching sports and spending time with family. Our nieces and nephews adore him! Marty is hardworking and dedicated, both at work and home. At work Marty is known to be the best route driver and has earned a great reputation among his peers and employer. His schedule allows him to be home by noon every day. Marty is a loving husband and his thoughtfulness never fails. Marty's fun-loving spirit and passion for family will make him a great father!

## A summary of LEENA, as told by Marty

Leena is a bright, loving individual that is well respected in her work in the food service industry (she works from home). She enjoys the outdoors, running on her treadmill and watching movies. She has also carried on the tradition of being a great chef that she learned from her mom— as a husband, I am extremely fortunate to have her as my wife. Leena will be a true blessing to our adopted child!

## THANK YOU

*Our thoughts and prayers are with you. Please feel free to call, text or email, we would love to hear from you!*
