

HELLO

We are excited beyond words that we have begun this adoption process! We are both very excited as we seek a child to raise as our own.

Thank you for taking the time to consider us worthy of raising your child.

We are open to exploring an adoption plan that you are comfortable with.

BENJAMIN & NATALIE

ABOUT US

Together for 15 years, we are a very active and energetic couple. Some of our favorite things to do together are; playing games, vacationing, hiking, walks with our dog, four wheeling, and snowmobiling.

We recently bought a small hobby farm outside of Monticello, MN, where we have a dog, cats, pigs, and chickens. We are so excited to bring a child into our home through adoption and raise them in the country.

We have relatives that have adopted, and seeing their joy and fulfillment has given us the confidence to move forward.

Our sweet dog, Sage.

ABOUT BENJAMIN

I love to spend time outdoors. I love being out in nature, checking out wildlife, elk hunting, fishing, and working in my construction business. Some of my favorite times are spent with my wife, my nieces and nephews, and family. I come from a family of 13 and know the joy that children can bring. I love to teach; whether through my work or hobbies, I love to watch people learn and grow. I am looking forward to teaching a child all that I know and having the opportunity to watch them grow.
