

Megan and Dereck

HELLO!

We can't imagine what you're going through, and our hearts go out to you during this difficult time. We're grateful you're considering adoption and would love to get to know you! We like the idea of being open throughout the child's life if that's what you wish.

OUR JOURNEY

Shortly after we started dating, we both knew that we wanted to marry each other and have been together since high school. We truly are each other's best friend and biggest support!

Megan grew up next door to Dereck's family farm where we met horseback riding. We built our forever home on 5 acres in the country, 3 hours from the cities. We enjoy family holidays and gatherings at our home. Our neighborhood is tight knit, and neighbors are quick to lend a helping hand.

Putting behind our struggle with infertility & inability to have children, we are now so excited and ready to grow our family through the blessing of adoption!

Ultimately, a safe space to grow and be loved is most important to us.
