

Sam & Luke

Hello!

Thank you for taking the time to learn about us. We are Sam and Luke, and we're incredibly excited to grow our family through adoption! Our hearts are filled with love, and we can't wait to share it with a child. Family means everything to us, and we are ready to provide a nurturing, supportive, and joy-filled home where a little one can thrive. We're dedicated to creating a life full of fun memories, gentle guidance, and unconditional love.

We've dreamed of being parents for years and can't wait to see this dream come true. We look forward to meeting our special little person and are open to an adoption plan that makes you comfortable.

Home & Family

We live in the northern suburbs of the Twin Cities. Sam's family also lives in the area. We spend time with them often, including summers at the family cabin on Mille Lacs Lake. Luke's family lives in the Chicagoland area, where he grew up. We go on road trips to visit them, and they travel to visit us throughout the year.

About Sam by Luke

Sam is a compassionate and dedicated wife, offering selfless support and encouragement to everyone around her. As a Special Education teacher, she brings her kindness and passion into the classroom, helping her students grow and thrive.

A former collegiate athlete, Sam stays active through yoga, hiking, gardening, and walking our pups.

Sam will be an amazing mother, and we are both excited and ready to welcome a baby into our lives.

About Luke by Sam

Luke is full of energy and has a playful, fun-loving spirit. While family is his top priority, he's also committed to advancing his career in Industrial Sales and being a strong provider.

He treasures time with friends, whether it's playing basketball, getting involved in theater, or enjoying a good card game. Luke loves crafting homemade pizzas and experimenting with new recipes.

Calm and collected in stressful situations, he's excited to dive into all the "dad" duties, and I know he'll be an incredible father!
