

Hello!

Thank you for taking the time to learn about us. We are thrilled at the possibility of growing our family through adoption! We want to share how grateful we are for the opportunity to introduce ourselves and give you a glimpse into our lives and the love we have to offer.

Adoption has always felt right to us, and after struggling with infertility, it has become even more meaningful.

We are open to an adoption plan that aligns with your needs. We can only imagine how challenging this decision must be for you, and we admire your strength and courage!

Our Story

Jeff grew up in Minnesota, embracing snowy winters and the state's 10,000 lakes, while Emily, a California native, loves beach days and spontaneous road trips. We met through work and quickly realized we were meant for each other. Today, we both work remotely for the same company—Jeff as a business analyst and Emily in sales.

We live in a family-friendly neighborhood in the Twin Cities' southwest suburbs, surrounded by parks and great schools. Our home is full of laughter, friendly board game rivalry, and weekend adventures. We're thrilled to welcome children into our lives, sharing these experiences and creating new memories together.

Meet Ollie!

Our 3 year old Aussiedoodle has the sweetest personality. He's incredibly smart, curious, and loves meeting new people.

We'd love to hear from you!
