

MAGGIE & WALTER

Hello!

We can only imagine how complicated and difficult this decision is, and we know that any choice you make will be made thoughtfully and with love.

Choosing to place your child with us would be the most life-changing gift we could imagine. Adoption has always been our first choice for growing our family, which has only been reinforced by Maggie's work as a teacher with some amazing adoptive families. We're open to any adoption arrangement that feels comfortable to you.

Our Story

Maggie grew up in
California

We met in the middle,
and made Minnesota our home!

Walter grew up in
Massachusetts

We love visiting family in our hometowns & in Taiwan, but we're happiest at home in Minneapolis with our dog, Juno!

Our home is full of music, laughter, good food, and so much love! After a great decade together, we're ready to become parents through adoption. Our future child will be the first grandkid (on both sides!), and everyone is so excited!

Walter

- Kind, laid-back, and endlessly patient
- Software Engineer
- Loves taking Juno for walks in our neighborhood and playing board games.
- Looking forward to teaching his future child to speak Chinese and to swim!

Maggie

- Goofy, outgoing, and nurturing.
- Elementary and Special Education teacher
- Loves to cook and spend time with family.
- Looking forward to bedtime stories, dancing to Motown classics in the kitchen, and swimming as a family!
