

JESS AND JOE

About Us

Hello!

Thank you for taking the time to get to know us. While there's no way we could understand the way you're feeling, we admire the strength and courage it takes to make the decision for adoption.

After struggling with infertility, we are thankful for the opportunity to expand our family through adoption. We're happy to consider an open adoption plan so the process goes smoothly for everyone!

We grew up in small towns about four hours apart, Joe in Southeast Minnesota and Jess in Central Minnesota. We met right after college when we were both living in Minneapolis. After shopping around for a new home, we fell in love with the Brainerd Lakes area and moved there in 2018.

Brainerd provides a safe, supportive community with plenty of opportunity for outdoor activities. Our home is in a family-friendly cul-de-sac and features a large, fenced-in backyard, complete with apple trees and a garden!

Chip, Chloe, and Missy

We have three gorgeous puppies. Chip is outgoing, affectionate, and energetic. Chloe is a rescue and the sweetest dog you'll ever meet. Missy is goofy, playful, and zany.

Family and Friends

Both sides of our family have been immensely supportive during our adoption journey! Jess's parents live just 30 minutes away from us, and Joe's are retired, giving them plenty of time to visit with a little one. Both sides of our family are thrilled to become grandparents!

We also consider our close friends to be part of our family. Many of them have kids and are more than willing to support us as we forge our own path to parenthood. Over the years, we've had the opportunity to see our nieces, nephews, and cousins grow, and we're so excited to have a child of our own to love and support.

Jess is:

**Compassionate
Creative
Outgoing
Adventurous**

She Enjoys:

Crafting, cross-stitching, scrapbooking, playing the piano, decorating her home, gardening, rollerblading, biking, and walking the dogs.

Joe is:

**Patient
Supportive
Hardworking
Determined**

He Enjoys:

Listening to music, playing drums and guitar, woodworking, reading, playing video games, snowboarding, mountain biking, and ice fishing.
