

MITCH & EMMA

ABOUT US

We met through friends in college and quickly realized how much we loved being together! We have now been together for 13 years and married for 9. We live in a family-oriented neighborhood 1.5 hours away from the twin cities; close to parks and schools. We enjoy traveling, hiking, sporting events, and golfing. At home we enjoy movies (like Harry Potter and the Marvel series), game nights, puzzles, and making Sunday brunch. We are each other's biggest supporter, and tell each other daily to "Be amazing, do amazing things!"

hello!

Thank you for taking the time to learn about us. We admire your courage and bravery to consider adoption, and our hearts go out to you.

We've always envisioned starting a family, but we have been diagnosed with infertility. Adoption is a path that feels right for us, and we are excited to adopt a child to love and care for!

We would love to build a relationship and a collaborative adoption plan with you.

Smokey is a cuddly and loving boy. Sophie loves to snuggle and can always be found on a fuzzy blanket. Our dog, Ursa, is wonderful, so smart, and brings so much joy!
