

Hello

WE ARE ZACH & ERIN

Thank you for taking the time to learn about us. We can only imagine how much strength it takes to navigate this moment, and we want you to know how much we admire your courage. We're so honored you're here, and we're hopeful for the opportunity to be a part of your journey. However your path unfolds, we are cheering you on with our full hearts.

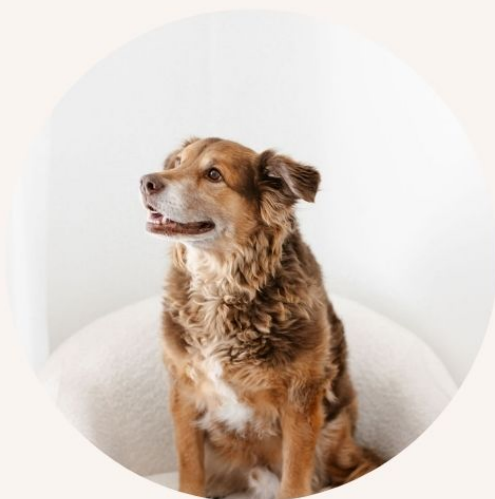

ABOUT US

We're high school sweethearts who have been together for over 15 years and married since 2019. From awkward Biology lab partners to building a life full of love, adventure and laughter - we've truly grown up together. We've always dreamed of becoming parents, and we're incredibly grateful that adoption is the path we get to walk.

Erin found out at a young age that she wouldn't be able to have biological children. Adoption has felt like part of our story from the beginning - Erin's mom is adopted, and several of our closest friends were adopted too. We feel deeply connected to this experience and the community it brings.

MEET OUR PUP, Ace

Our dog, Ace, is a gentle Golden Retriever mix with a heart of gold. He's happiest sunbathing on the deck or snuggling up on the couch. He absolutely adores kids - whenever our friends bring their children over or the neighborhood kids stop by, he's always wagging and ready for attention.

ABOUT
Erin
BY ZACH

Erin is the most thoughtful and compassionate person I've ever met. She has a way of making everyone around her feel important, cared for, and deeply loved. She brings that same energy into our home - filling it with warmth, laughter and intention. She's also incredibly strong. Erin has faced challenges in life with grace and resilience, including her journey with infertility. I see how she cares for our dog, Ace, how she loves our nieces and nephews, and how naturally children are drawn to her. I know she'll be the kind of mom who celebrates every little moment, who listens deeply, and who loves with her whole heart. Watching her become a mom will be the greatest gift.

ABOUT
Zach
BY ERIN

Zach is the most loyal, patient and genuine person I know. We met as teenagers, and I've had the gift of watching him grow into the incredible man he is today. He is someone who shows up for the people he loves - whether it's coaching his HS baseball team, being the first to offer to help others or just making me laugh when I need it most. Kids are naturally drawn to him - I've seen it with the athletes he trains and the kids in our neighborhood. Zach is also steady and dependable. He keeps me grounded and leads with kindness. Watching him become a parent is something I've dreamed of for a long time, and I know he's going to be an incredible dad.

HOME SWEET **MINNESOTA**

We live in a warm, welcoming neighborhood on a cul-de-sac with tons of kids. We love being a part of a tight-knit community, and we're so excited to raise a child in this supportive, joy-filled environment.

We're an active couple - hiking, traveling, attending concerts and comedy shows, or just hosting a night with friends. Our weekends are often spent surrounded by loved ones - both of our families live nearby and we're incredibly close. We're lucky to have a circle of lifelong friends from all different walks of life, and they can't wait to welcome a new little one to our crew.

WE KNOW THIS DECISION ISN'T EASY, AND IT'S DEEPLY PERSONAL. IF WE'RE LUCKY ENOUGH TO BE CHOSEN, OUR HOPE IS TO MAKE THINGS FEEL SAFE, RESPECTFUL AND FULL OF LOVE. WE ARE FULLY OPEN TO THE KIND OF ADOPTION PLAN THAT FEELS BEST FOR YOU. MORE THAN ANYTHING, WE WANT YOU TO KNOW: YOU'RE NOT ALONE, AND WE'RE HERE WITH OPEN HEARTS AND ARMS.
