

Steven & Ali

Our Story

our story

We met in 2017 on Match.com. Our first date was at a little cafe where Ali works part time. We were both shy, but after the first date, we knew we were meant to be together.

We got married in August 2020 in the middle of the COVID pandemic at the church where both Ali's grandparents and parents were married.

We had our wedding reception at a historic 1800s opera house in the Central Minnesota town where we live. It was the best day ever!

hello!

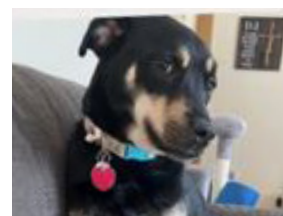

We thank you and are thinking of you as you make the courageous choice of adoption for your child.

We are excited and ready to walk alongside you as much or as little as you feel you need. When we got married, we knew we wanted to be parents, and have chosen adoption due to struggles with infertility.

We are ready and excited to start this journey and trust that God has called us to adopt.

Together, we enjoy attending car racing events with family, trying new restaurants, coffee shops, and taking our 4-wheeler on trips up North for weekend getaways. Travel was a big part of Steven's childhood, and we hope to travel and make memories with our child.

We enjoy attending concerts, comedy shows, and visiting museums. Separately, Ali enjoys bowling on a league, and Steven enjoys hunting.

We have 6 nieces and nephews, and we have always enjoyed attending their various school/sporting events.
