

hello!

First and foremost, we want you to know how brave and strong we believe you are for considering adoption!

We can't begin to imagine what must be running through your head. When you are ready to take that next step in your journey, we are ready to walk right beside you!

We are open to an open adoption plan if you wish. Thank you for taking the time to learn about us.

About Us

We've been together since 2018 and met using the dating app, Bumble. Enrique was pursuing his undergrad at UW River Falls, and Cole was attending college at Winona State. We were too far apart to match on the app, but Cole took his mother to see a play at the Chanhassen Dinner Theater. We were then in close enough radius to swipe right! Married four years later, we now live in a small town an hour south of the Twin Cities and are ready to start our family!

Enrique

Enrique grew up with a Mexican father and a Polish mother. He was able to experience a multicultural childhood with traditions, food, and languages from across the world!

Enrique's biggest strength is his determination. He put himself through six years of schooling to become a certified veterinary technologist. When he coached girl's volleyball, he encouraged his players to build up their best selves.

And now with adoption, **he is doing everything he can to become a father!**

Cole

Cole was born and raised in Minnesota. He is kind and always puts the people he cares about before himself. While in college, he befriended a 99-year-old woman who he continues to call and check on weekly!

He achieved his business degree and joined a co-ed business fraternity, Delta Sigma Pi. He now works as a recruiter for an agricultural company.

Cole has always been family-oriented. **He is excited to share his love and support with a child!**

Together We Enjoy:

- Going to the movie theaters
- Hiking and nature walks
- Mini-golf and volleyball

- Beach days
- Game nights
- Weekends with grandma and grandpa

Family

Enrique's family lives in the suburbs of Chicago, where weekends are for grill-outs and good music. His close-knit family includes a brother, a sister, two half-brothers, two nieces, and many of aunts, uncles, and cousins! Just a 30 minute drive away, Cole's family lives in a neighboring town. His two brothers brought five young nieces and nephews into the family! Recently, Enrique and Cole welcomed a golden retriever puppy named Rhea into their home. Rhea can't wait to meet her future little sister or brother!

THANK YOU for taking the time to read our letter. Whenever you are ready, we would love to work with you! If you wish to know more, please call or text us directly at **507-519-2535** or email us at **enriqueandcole@gmail.com**.

We hope to hear from you!
