

Peter ~ and ~ Grace

Hi and Thank YOU for learning a little about us by reading this letter. Our hearts are with you while you are going through this process. We hope that our letter will give you a sneak-peak into our lives.

Who We Are

We met in 2018 through Peter's sister and married in 2020. We both grew up in Memphis, TN, and moved to Minnesota in 2022 for Peter's work and love living here! Grace cannot wait to be a **Stay-at-Home mom**. We are best friends and love being together! Since pregnancy is not an option for us, and we have always been interested in adoption, we are excited to start a family in this way!

Both Chester and Wilma are playful and great around kids!

Our Family

Both of us grew up in three-child homes with both parents. Peter is the eldest while Grace is the middle child. We are close with our families and travel to see them often. We are family-oriented and want to raise our children to be so too!

Faith

We are active in our Lutheran church, helping with potlucks, teaching Sunday School, and attending Bingo Night. We are blessed with a close church community that is very loving and helpful. The Bible helps us in striving to emulate the compassion of Jesus Christ.

Our Home

We live in suburban St. Paul in our spacious and family-ready home. Our backyard is perfect for grilling out and playing. Our neighborhood is full of friendly, active people who walk their dogs, doodle on the sidewalks, and use our surrounding parks and playgrounds.

Peter

(according to Grace)

Peter is an outgoing, helpful, and responsible person who truly cares for others! He works as an airline pilot and instructor and has a passion for teaching. He is going to be a great, fun dad! Peter loves: flying, playing board & video games, playing with our pets, camping, fishing, and building computers.

Adventure

We love to travel! Our best adventures were: driving through Tennessee, a train-ride to California, and cruising through the Virgin Islands. We also attend AirVenture Oshkosh in Wisconsin. We love sightseeing, camping, and trying new things!

Grace

(according to Peter)

Grace is a kind, genuine person who is always cracking jokes, laughing, and making friends! She is family-oriented and can't wait to be a mom! Her relationship with God is something I strive to replicate. She works part-time as a substitute teacher but plans to be a **stay-at-home mom**! Grace loves: reading, quilting, playing board games, watching movies, traveling, Pokémon, and walking our dog.

We'd Love to Hear from You!

Thank you again for learning about us and reading our letter! We are very excited to become parents, so we appreciate your time to consider us.

God bless you! Peter and Grace
