

HELLO! WE ARE

**SARAH
& ERIC**

We are excited for the opportunity to become parents through adoption as we ourselves are unable to have biological children. We will strive to be the best parents we can to your child and would be interested in an open adoption. Here is some information about us.

ABOUT US

We met in Rapid City, SD. Eric asked Sarah to do the Jitterbug, and it was love at first dance! Over ten years later we continue to love dancing especially to the Jitterbug and Polka! We love the great outdoors: walks, scenic drives, camping, and being in our own backyard. We also enjoy home projects and spending time with our families!

OUR HOME

We live in a great neighborhood just outside of the cities, with a small town feel. We are close to parks, a bike path, and nature areas. We have a wonderful yard with room for kids to play, a garden, and a dog.

FAITH & FAMILY

Family is extremely important to us. We both come from wonderful, loving families and always have lots of fun together! We have over 20 nieces and nephews! Faith also is an important aspect of our lives. Your child will grow up in a Christian home with Christian values and teachings.

THANK YOU

Thank You for choosing life for your precious child. You have already made an incredible, beautiful decision! We would feel honored if you chose us to be the adoptive parents for your child. May God Bless you throughout this journey.

WE WOULD LOVE TO MEET YOU AND GET TO KNOW YOU!
