

JESSE & KERSTEN

HELLO

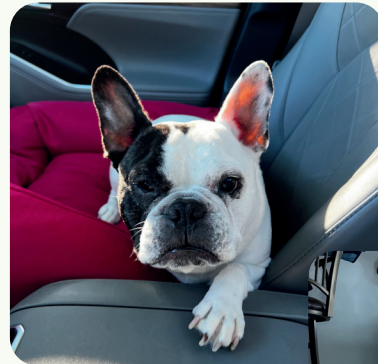

Thank you for giving us the opportunity to introduce ourselves. We are inspired by your courage and openness, and we would be grateful to be part of your journey! We are open to an adoption plan that works for you and fits into our lives. We are excited for the opportunity to grow our family after struggling with infertility.

ABOUT US

We met later in life and have been happily married since 2018. Kersten is a godmother to our niece, and Jesse loves being “Uncle Jess Jess.” We love spending time with family. We feel so lucky to have experienced many life milestones together, but we are the most excited about our next milestone of starting a family through adoption!

We have a great home located in the northwest suburbs of the Twin Cities. Ours is a quiet neighborhood on a cul-de-sac with other kids and friendly neighbors. We are fortunate to have our home located close to both our jobs as well as family and friends.

ABOUT KERSTEN BY JESSE

Kersten has one of the most caring hearts. She always finds a way to make others feel loved. Kersten has a master's degree in business and is now the Executive Director of a senior living facility. She truly displays what it takes to be a leader in her role.

Kersten loves to be at our family cabin, out on the lake for a boat ride, playing with our niece, traveling (near & far), and just spending time with family. She is a true role model to me in all facets of our life together. These are just a few reasons why I truly know Kersten will be an amazing mom!

ABOUT JESSE BY KERSTEN

Jesse is an extremely dedicated and selfless husband who will go the extra mile for family and friends. He is truly a caring and compassionate person with a silly sense of humor. Hardworking and disciplined in his sobriety journey since January 2021, Jesse dedicates time to AA service work as well as sponsoring other men in the program..

With two college degrees in business and accounting, he maintains a successful career in finance. Jesse is an avid outdoorsman. Most weekends, you will find us at our family cabin where he fishes and enjoys the outdoors. Since getting sober, Jesse has developed a passion for outdoor hikes and running marathons. I think all these parts of Jesse certainly will make him a great dad!

THANK YOU

We want to thank you for taking time to view our letter. We are very excited to take the next step and hopefully share our family with a child. We are extremely grateful that our path has led us to this adoption opportunity!

We are looking forward to the adventure that lays ahead! Thank you so much for having the courage and strength to consider adoption. We hope for the opportunity to meet with you and share in this experience. You are in our thoughts and prayers! *-Jesse & Kersten*
