

DEAN & CHELSEY

HI!

Thank you so much for taking the time to get to know us!

While we may not fully understand what you're going through, we deeply admire and appreciate you. This is an incredibly personal decision, and it means so much that you're considering us.

Our path to parenthood hasn't been easy due to infertility, but it's led us to adoption—and we're grateful and excited for the chance to grow our family this way.

We're here to support you and help create a plan that feels right for you.

OUR LIFE TOGETHER

OUR STORY

We met in college, where Dean couldn't stop staring at Chelsey. On our first date, we watched *Christmas Vacation*, and it's been a holiday tradition ever since. We've been together for 15 years—10 of them married!

OUR HOME

We live in a quiet neighborhood just an hour south of the Twin Cities, and currently we're building our forever home on two acres nearby.

A LITTLE ABOUT US

CHELSEY

Chelsey is a dreamer and a planner. She always has a list for every trip or vacation, so we have everything we need. She worries about making sure those she loves are taken care of and have what they need. She'll be an amazing mother, sharing her world of books, shopping, organizing, and cuddling.

CAREER: ETSY SHOP OWNER & FUTURE STAY-AT-HOME MOM (I CAN'T WAIT!)

- I LOVE POPCORN AND CANDY. ANY KIND.
- IF I'M WATCHING TV, IT'S PROBABLY BRAVO.
- MORNING IS MY FAVORITE TIME OF THE DAY.
- MY GO-TO BOOK IS A FUN, LIGHT, EASY BEACH READ.
- ORGANIZING MAKES ME RIDICULOUSLY HAPPY.

DEAN

Dean is smart, patient, hardworking, and easygoing. He's always willing to help and can do everything from cooking to fixing cars to home projects. I know he can't wait to teach our child everything he knows. He makes me feel safe, loved, and cared for every day and that's exactly why he is going to be a great Dad.

CAREER: ATTORNEY

- I ENJOY WORKING WITH MY HANDS —GARDENING, WOODWORKING, ETC.
- I LOVE TO COOK.
- THANKS TO CHELSEY, BRAVO IS MY GUILTY PLEASURE.
- I'M ALWAYS LEARNING ABOUT THE WORLD AROUND ME.
- GOLFING AND FISHING ARE MY SUMMER HOBBIES.

OUR FAMILIES

We're lucky to live close to both of our families and see them often.

Dean's from a big family—one of six siblings—with six nieces who can't wait to play with a new cousin. Grandma loves baking with the kids, and Grandpa enjoys giving tractor rides around the farm.

Chelsey's family is smaller—just one sibling—but everyone is excited for the first grandchild! We spend a lot of time at the cabin: fishing, swimming, boating, relaxing, or playing a game (or two!).

THANK YOU!

We hope this letter gave you a little peek into our life and the love we're ready to share. If we're lucky enough to be chosen, we'll support whatever your child loves, help them grow into a kind and honest person, celebrate their adoption story, and love and support them every step of the way.

We can't wait to meet you!
