OUR STORY

We're Ashley & Tyler, a couple now **happily rooted in Minnesota, with hearts and histories that stretch across the globe.** We love to travel, explore new cultures and cuisines, stay active outdoors, and even challenge each other in Jeopardy! Friends since 2016, we married in 2022. We are grounded by our deep commitment to each other, our communities, and friendships.

OUR HOME

Our home in **suburban Minneapolis** is filled with sunlight, music, laughter, and books. We live in a diverse, quiet neighborhood near a beautiful park with trails, playgrounds, sports fields, and prairies.

OUR CAREERS

Much of our lives have been **dedicated to helping others** access life-changing opportunities. Ashley works in study abroad. Tyler works in communications and education. Both of us were fortunate to have lived abroad and experienced the world in meaningful ways. We're **excited to share that curiosity and sense of adventure** with a child.

OUR VALUES

Our home is full of encouragement, support, and care. **We believe in building people up, showing up when it matters, and living with compassion and integrity.** These are the values we will pass on to a child. We will support them unconditionally, nurture their dreams, and show up for them in every season of life.

TYLER (BY ASHLEY)

Tyler is one of the most genuine and caring people I know. He connects easily with others and keeps friendships strong. His humor puts everyone at ease, and he's always cheering on those around him. Tyler loves learning and exploring new ideas. Kids adore him, and he's invited to more birthday parties than most adults. Watching him with children is pure joy and shows his big heart.

ASHLEY (BY TYLER)

Ashley is the most passionate and honest person I know. You might be interested to know that animal rescue videos make her cry or that she makes up funny songs to sing to our cats daily. Her tales from travels around the world are both exciting and heart-warming. Ashley never shies from who she is and it's what makes me love her more every day. I know she will be an absolutely amazing mother.

Thank you!

We recognize the incredible strength and love you are showing on this journey, and we'd be honored to be part of it. We hope you are led to a family with whom you feel peace and confidence in choosing to love and care for your child. If you choose us, **we promise to raise your child with unconditional love, joy, and reverence for who they are and where they came from.**
