

MEGAN & AMANDA

Hey there!

Thank you for taking the time to read our profile. Our hearts truly go out to you on this journey.

We have always wanted to expand our family, and while we have both tried for several years to carry a child, we are experiencing infertility. We are so excited for the opportunity to grow our family through adoption.

We look forward to providing a child a loving, safe, and supportive home where they can pursue their own unique interests and dreams. We also want to ensure your child always knows how much you love and care for them and are happy to have an open adoption plan (if you wish).

OUR PASSIONS

MUSIC - AMANDA IS A PERFORMING MUSICIAN IN A METAL BAND.

HOCKEY - MEGAN STARTED PLAYING THIS PAST YEAR AND FELL IN LOVE WITH THE SPORT.

ABOUT US

We live in Northern Minnesota, just a few miles from Lake Superior. Our home is located in a beautiful, small neighborhood right next to a park. We married in 2023, surrounded by family, friends, fall colors, pumpkins, and Halloween vibes. We are both active and enjoy hiking, kayaking, and love to read. Our lives have always focused on serving families. Amanda is a Children's Librarian, and Megan works for a non-profit and volunteers for a horse therapy program for kids. While we have many interests and hobbies, spending time with our families is our favorite activity.

MEGAN & AMANDA

We love all things Minnesota sports. Our first date was at a Twins game!

Our families are very supportive and eager to welcome a new child through adoption.

Amanda comes from a blended family with **five siblings** and **ten nieces and nephews**, including through inter-racial adoption, living nearby in South Dakota. We get lots of time with them as we travel back to SD often for Amanda to play shows with her band. Most of her siblings aren't blood related and **we truly value the meaning of chosen family**.

Megan has **one sister** and, lucky for us, her family lives nearby in the Twin Cities. We love being a part of this **tight-knit group**. Her parents are even the day care providers for her sister and brother-in-law's **three children**. Her mother is musical and loves to honor their Swedish heritage with accordion celebrations. Her father is a fantastic painter and is where Megan gets her artistic talent.
