

# Casey & Danielle

**HELLO THERE!** Thank you from the bottom of our hearts for taking a moment to learn about us. Your strength and love in considering adoption deeply moves us. We want you to know how much admiration and respect we feel for you. If it's something you're comfortable with, we would be honored to maintain a connection with you as your child grows—celebrating the unique bond that brought us together. More than anything, we wish you gentle peace, unwavering support, and comfort every step of the way.

**Daxtyn & Bowen**

Excited to welcome another sibling!

**OUR STORY:** We met in high school in Southwest Minnesota and were good friends. After graduation, Danielle went to college at Mankato State while Casey stayed local. Our connection grew and we spent four years in a long-distance relationship before settling near our hometowns.

Now together for fourteen years and married for seven, we make a great team! Danielle is outgoing and social, while Casey is reserved and thoughtful—we balance each other perfectly and bring out the best in one another.

**OUR FAMILY:** We're proud parents to our sons, Daxtyn and Bowen. Being parents is the greatest joy of our lives. After facing fertility challenges, we began our adoption journey in 2023. Soon after, we got a beautiful surprise of being pregnant with Bowen. We've always dreamed of a large family and adoption feels like a beautiful path forward. We live 3 hours away from the Twin Cities, near both of our families. Our days are filled with park outings, pool splashes, home improvements, camping, and trips to our family cabin. Our families are overjoyed about our adoption journey, and we are so grateful you're considering adoption.

WE WOULD LOVE TO CONNECT WITH YOU!

## ABOUT CASEY

Casey brings laughter and energy into our home. He's a hands-on dad who loves dance parties, woodworking projects, and teaching through play. As a software developer, he's curious, creative, and always ready to solve problems. His favorite place to unwind is our family lake cabin.

## ABOUT DANIELLE:

Danielle loves being a mom—she's gentle, patient, and full of heart. As a special education teacher, she finds joy in helping kids grow. She's outgoing and loves time with family and friends, quiet moments with a good book, and the simple joys of fall colors, fresh-cut grass, and Brooks & Dunn on the radio.

## ABOUT DAXTYN

Daxtyn has embraced being a big brother with pride and enthusiasm. After waiting four years for a sibling, he's thrilled to have one—and excited to welcome another! He's adventurous, curious, and always ready to lend a hand, proudly calling himself a "hard worker." With a love for anything with a motor and a personality as big as his smile, Daxtyn brings energy and excitement to our lives.

## ABOUT BOWEN

Bowen has filled our hearts with joy after a journey through fertility challenges. He's our little sunshine—happy, easygoing, and always smiling. He adores his big brother, loves to snuggle, spend time outdoors, and his favorite stuffed animal, "Slothy." His biggest fascination—, the ceiling fan and light combo. Bowen is a true blessing to our family.
