

Ryan & Mathew

Hi!

First, **THANK YOU**. It takes incredible strength and love to consider adoption, and we admire you for it more than words can say.

We have **DREAMED FOR YEARS** of **BUILDING A FAMILY**, and we are so excited at the thought of welcoming a child into our home. If you choose us, we promise to honor you, keep your story close, and support whatever kind of ongoing relationship feels right for you.

Our Story:

Our journey started in Minneapolis, where Mathew had just moved and fate brought us together. Instantly, we clicked, laughing over bad jokes, sharing dreams about the future, and feeling like we had found something truly special. Our life together is packed with joy, traditions, and a whole lot of fun.

Every winter, we throw a Christmas party for friends and neighbors... ugly sweaters and caroling required! Our summers are spent at the lake playing games, boating, sharing meals, and making memories.

We cheer on Minnesota sports teams no matter the score, and at home, we enjoy bike rides, movie nights, and the occasional dance party. We're happiest together and can't wait to become dads.

We would LOVE to hear from you!

meet Mathew

(BY RYAN)

Mathew is the “fun uncle” in our family, known for his energy, laughter, and ability to make any moment memorable. He works in Finance, where his dedication and attention to detail stand out. His love for music runs deep, and he even has a master's degree in vocal performance. He is always the first to lead Christmas carols or sing at the top of his lungs on road trips.

A few of RYAN'S favorite things:

- Trying new restaurants, especially pizza
- Going big on **Halloween decorations**
- Watching Julia Roberts and Sandra Bullock rom-coms
- Concerts, especially Lady Gaga and Celine Dion
- Planning **family vacations** like to Ireland, Hawaii, Mexico, and the Caribbean!

Ryan's **warmth** and **goofy humor** fill our home with laughter, and he is so ready to make every day special for our future family.

A few of MATHEW'S favorite things:

- Powerhouse singers like Celine Dion & Reba McEntire
- **Karaoke, caroling, and choir**
- Finding reasons to make people laugh
- Classic 80s and 90s TV shows like Golden Girls, Murder, She Wrote, and Cheers

Mathew brings people together through music and joy, and he is ready to fill our family's life with love, excitement, and those “**I'll remember this forever**” moments.

Home Sweet Home

Our home in the Twin Cities is set for family life. Mathew's parents visit often, and Ryan's family is just a short drive away. There is space to be playful, a backyard that opens to woods, and a fort our

nieces and nephews are building among the trees.

The neighborhood is alive with kids, basketball games, bike rides, afternoons at the park, and endless new friendships.

Our Promise

Our home will be filled with laughter, support, and room to grow, grounded in our values of kindness, generosity, and love. We will honor you and make sure your child always knows of your love and the special story that brought us together.

Being chosen to love and raise your child will be the greatest blessing of our lives... we will never take it for granted.

WITH LOVE AND GRATITUDE,

Ryan & Mathew

We would LOVE to hear from you!
