Odin

— *Hello* —

We can only imagine how difficult this journey must be for you; we would love to support you along the way. Thank you for taking time to learn about us, and we sincerely hope to learn more about you!

We would be overjoyed to provide a loving, fun, and active home to a baby through adoption! If you choose, we are excited to have an ongoing relationship and communication with you!

About Us: Our Journey & Dreams

Together since 2012, our first date was to a concert to see a terrible band in downtown Minneapolis. We got stranded in a snowstorm! We have continued to enjoy all sorts of events, both great and terrible, and being together, even in stormy weather.

Our journey to parenthood started several years ago when we welcomed our biological son, who was born with a congenital heart defect. He passed away in infancy in 2022. His short life was difficult, but it reaffirmed our desire to be parents. We loved watching him grow and develop. Since that time, we have suffered several pregnancy losses. Throughout all the difficult times, we have remained committed to each other, our life together, and our goal of being parents.

Our Cozy Life

We live in the Twin Cities with our two cats and our dog. We love our cozy home in a quiet neighborhood that is still close to so much! We love the diversity of activities and experiences we have access to: restaurants, the theater, museums, concerts, and other cultural activities. We look forward to introducing our future children to everything the Twin Cities have to offer.

About Ashley

Ashley has always DREAMED OF A FAMILY with both biological and adopted children. She has two adopted cousins so adoption was something she always considered doing. She spent her teenage years babysitting and volunteering with children.

She LOVES SPENDING TIME WITH HER TWO NIECES. She is excited to become a mom through adoption.

Ashley is empathetic and kind. She loves helping others. We always have fun things on the calendar to look forward to and fresh baked goods to eat. SHE HAS MADE OUR HOME LOVING AND WELCOMING.

Ashley works for a large medical device company. She works with colleagues from all over the world and loves learning about their cultures. She spends her time outside of work reading books, attending yoga and weightlifting classes, running, indoor cycling, and cooking.

About Peter

Peter is fun to be around, easy-going, and LOVES TO TELL JOKES and LAUGH. He is always looking for the silver lining; he is optimistic and hopeful. Loving and caring, he is AMAZING AT PLANNING TRIPS and ACTIVITIES and making sure everyone feels included.

While Peter loves his job as a high school Spanish teacher, he also lives for summers off and time with family and friends; fishing, mountain biking, gardening, camping, and taking canoe trips to the Boundary Waters.

As a former trumpet player in the Wisconsin Marching Band, he cheers for the Wisconsin Badgers, Packers, and Brewers, and he is also a big Minnesota United fan.

Together

Together, we have traveled to several countries and US states. We love taking road trips, camping, canoeing, and hiking. We hope to one day bring our children with us on these adventures.

Family

In the summer, we spend time with extended family at Ashley's parents' lake house; boating, fishing, hiking, kayaking, and relaxing around the fire. We also take trips with extended family every few years to places like Mexico or Turks and Caicos. We are so excited to bring our child to these family events.

Foodies

We love to cook and are always trying new recipes and foods from all over the world. As a native of Wisconsin, Peter is excited to show our future child all of the cheeses from around the world! We also love gardening and growing our own food.

Entertainment

We enjoy music of all kinds - old and new, rock, folk, pop, reggaeton. We especially love music in Spanish. Since Peter is a Spanish teacher and Ashley also speaks the language, we hope to teach our future child to speak Spanish through music, books, movies, and TV shows.

Thank you for taking the time to learn more about us. We would love to connect with you! Please feel free to reach out to us via phone call, text, or email! - Peter & Ashley

Thank You!
