

Jenny & Jeff

HELLO!

While we haven't met you yet, we already respect and admire you. We are excited to build an open relationship with you that fits your needs. Adoption is an act of love, and we will always make sure your child knows how much you love them. We hope our letter gives you a sense of who we are and how much love we have to give you and your child!

OUR STORY

We both grew up in the suburbs of Chicago, but met in Minnesota at college. We connected over our Chicago roots and our love for ice skating/hockey. We dated 4 years and have now been happily married since 2013! We live on a quiet street just minutes west of Minneapolis, with friendly neighbors, parks, and nature trails.

JOURNEY TO ADOPTION

We felt called to adopt after losing a premature baby and experiencing miscarriages. We were then surprised with a healthy pregnancy and gave birth to our son, Cam, in February of 2022. We have always hoped to have multiple children and know that a future healthy pregnancy is unlikely. We still feel that same calling to adopt and we are so excited to grow our family through adoption!

OUR PROMISE

- **Love our children equally and unconditionally**
- **Provide a safe, stable, supportive, and happy home**
- **Be positive role models of love, honesty, and commitment**
- **Give our children opportunities to discover what they love**

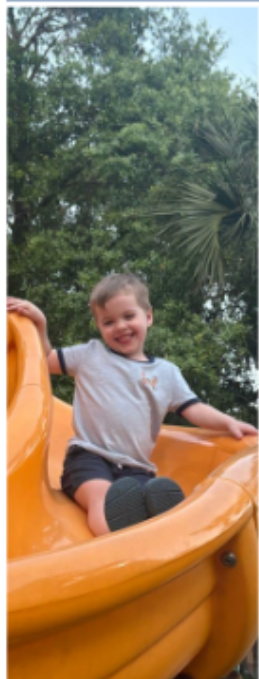

Cam is a happy, energetic, and kind preschooler. He loves sports, bike rides, cars, and petting our sweet and social cats, Jake and Elwood. He will be a great big brother!

LIFESTYLE

Our daily life includes dance parties, getting together with other families in our neighborhood, checking out local play spaces, and exploring nature. We also love cheering on the Wild and Vikings, trying new coffee shops, walking to get donuts or Dairy Queen, traveling, and spending time with our families.
