

Andrew + Branden

hi!

We hope to make a connection with you and your child!

We have the greatest respect for you and the incredible love you have for your child.

Your vision for your child's future and the role you want to play is important to us!

We know each adoption is its own unique journey, and we want you to feel comfortable with your adoption plan.

Our daughter, Riley, has brought us incredible joy since her adoption in 2023! With gratitude and thankfulness, we have built a trusting relationship with her birth parents and enjoy visits with them regularly.

Adopting Again!

Our Family

We can't wait to grow our family through adoption!

We are so lucky that Riley's birth parents chose us, and we have so much more love to give!

We look forward to raising two children in our close and loving family.

Andrew

is laid back,
open-minded,
and loving.
He enjoys tap dance,
reading, baking,
playing softball,
and trying new activities.
He works as a Software Engineer.

**What he enjoys most about being a dad
is playing like a kid and supporting Riley
as she becomes her own person!**

Branden

is caring, funny (loves a
good dad joke), and
creative. He enjoys
playing piano, planning
activities, and
woodcarving.
He works as a Business
Systems Analyst.

**His favorite thing about being a dad
is watching Riley explore the world...and
making her laugh!**

Riley

Riley is a caring, happy kiddo who is independent, adventurous, and sometimes shy. She loves dogs, books, playing in water, and being outdoors. Her favorite activity with Papa (Andrew) is going on walks and bike rides! Her favorite activity with Daddy (Branden) is climbing on him like he's a jungle gym!

Family + Friends

We enjoy home-made crafts, movie nights, traveling, spending time outdoors, and making each other laugh. We love family get-togethers! We celebrate holidays with big family gatherings and take vacations together. Our chosen family is also incredibly important to us - we have many close friends that play important roles in our life.

At Home

Our suburban home is in a neighborhood full of kids. We live in a great school district, and there are lots of parks within walking distance. As parents, we value open and honest communication, creativity, learning, kindness, and making time for silliness.

Thank You

for taking the time to get to know us. We look forward to what the future holds. We would love to join you on this journey and hear about your dreams for your child!
