

Jillian and Brett

Hello!

As you go through this very difficult time in your life, we admire your strength, courage, and the unconditional love you have for your child.

We would love to take on this journey with you and look forward to developing an ongoing relationship and an adoption plan that you find comfortable.

Thank you for taking a moment to get to know us.

Our Adoption Journey

We have always dreamed of having a big family. After a difficult delivery with our son, Everett, we are no longer able to have children biologically. We are beyond excited to grow our family through adoption! **Our families have already been blessed by adoption;** Brett's sister chose adoption for her baby, and Jillian's cousin adopted a daughter.

About Us

How we met: We met online in 2019 and connected instantly, knowing that we share interests and becoming parents was important to both of us.

Our home: A friendly suburban St. Paul neighborhood with family nearby. In our large backyard, we enjoy bonfires with smores and play time with Everett.

Trips + Traditions:

- Family cabin trips to Crosslake and Nisswa, Minn., and Hayward, Wis.
- Frequent trips to Duluth, MN (where we got engaged), with a stop for a Tobie's caramel roll
- Visiting apple orchards and pumpkin patches with family and friends
- Everything Christmas: Elf on the Shelf, enjoying Christmas lights with hot cocoa, decorating cookies, and more!
- Birthday celebrations with special plans for each of us

Our son, Everett, who can't wait to be a big brother!

We'd love to hear from you!
