**Dozier &
Gracie**

Hello! Thank you for taking the time to learn about us. We cannot fully imagine the **strength and love** it takes to choose adoption. We respect you and the care you are putting into this decision.

We live just south of the Twin Cities with our dogs, Dozier and Gracie. **Family is at the center of our lives**, and becoming parents through adoption is something we have always dreamed about. Adoption has played a meaningful role in both of our families. **Each of us has a father who was adopted**, along with several aunts and cousins who joined our families through adoption.

Although we have experienced infertility, **adoption has always been on our hearts** as a way we hoped to grow our family. We are grateful to share a glimpse of our life with you. **We would welcome an open adoption**, if that is something you feel comfortable with.
