

*Ecstatic to
adopt again!*

Chad & Alexis

With deep gratitude, we thank you for considering to help us extend our family! We feel so blessed to have this opportunity again through adoption.

Please know we are open to whatever adoption plan you have chosen. Not only will your child be welcomed with an open heart, but you will be as well!

The decisions and emotions you are going through, we cannot begin to imagine or understand. Your courage, kindness, and love for your child will never be forgotten!

About Us:

We are an outgoing and adventurous couple who met through mutual friends and married in 2018. Happily married ever since, we share our Northern MN farmhouse and 40 acres with our dogs, horses, goats, mini pigs, ducks, chickens, turkeys, peacocks, and soon-to-come: mini-cows!

We were not only blessed with the adoption of our beautiful daughter but also to have her amazing birth mom in our lives as well!

Aurora has brought so much joy to our family & us. We can't wait to grow and extend our family! Aurora will be an amazing big sister; she adores caring for her baby cousin and all of our animals (especially the babies)!

***We are ecstatic
to build our family
again through
adoption!***

Chad

Chad has a bachelor's degree from UMD and works as a County case worker for youth and family services.

He loves spending time with his family, being outdoors, running 5K's (he's even run Grandma's Marathon!), swimming at our lake house, caring for our farm animals, watching the MN Vikings, and attending UMD and Wild hockey games.

Tuesdays are his favorite day as they are daddy & Aurora days!

Alexis

Alexis is passionate about children! With a degree in childhood development, she works as a teacher in her family-owned preschool and childcare. Aurora always gets to come with her!

Alexis loves to spend time with family, especially siblings, nieces, and nephews.

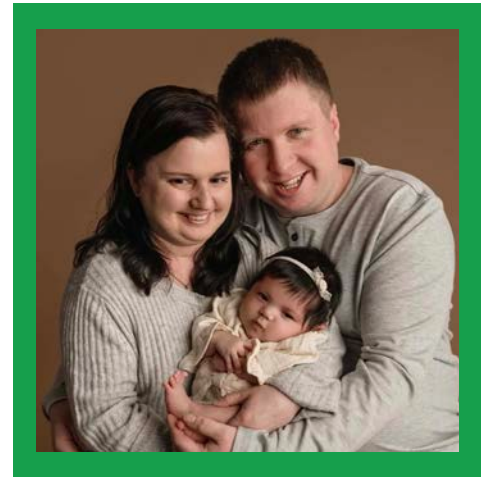

She also likes to spend time with their animals, going to animal swaps and expos to come home with new animal friends, a good rodeo and planning family trips to new places and taking Aurora on ice cream and shopping dates!

Aurora loves playing with her animals, swimming, wagon rides, ice cream, playing with her cousins, books, pontoon rides with grandma and grandpa, cake pops, zoos, aquariums, and horse expos. She has a bubbly, sassy, and sweet personality.

As a Family...

We enjoy kayaking on our pond; walking our dogs; exploring parks; visiting zoos and aquariums; swimming at our lake house; attending football and hockey games; hosting family date nights; spending time with family, friends, and our animals; going to horse shows and rodeos; vacationing and camping at our favorite KOA; discovering new activities; and making memories as a family!

Thank You!

We are so grateful to you for this amazing and difficult journey you are on. The unconditional love you have for your child is beyond words! We'd be thrilled to have the opportunity to meet you to learn and listen to the beautiful wishes you have for your child. Thank you again for taking time to look at our letter and considering us as your adoptive parents!

With Love, Chad & Alexis
