

Michael & Prasad

To the Woman Behind This Incredible Choice,

We are Michael and Prasad, and for us, family isn't just a goal, it's the promise we've been building toward since we met in 2018.

We don't just want to be parents; we want to be the safe, joyful place where your child's unique story takes root.

We can only imagine the quiet strength you are leaning on right now.

While we cannot fully know your heart, please know that we already hold immense admiration for your courage.

Prasad

THE CARING HEART

Prasad is pure energy and kindness. While he manages big projects at work, he's happiest in the dirt of our garden or starting a spontaneous dance party with our nieces and nephews. He finds magic in the small things and has a laugh that fills the whole house.

The Dad Factor:

He's an adventurer at heart, whether he's exploring a new country or teaching a little one how to help things grow in the backyard.

His Promise:

To bring a sense of wonder, humor, and a world of discovery to a child's life every single day.

Michael

THE CALM ANCHOR

Michael has a way of making everything feel steady. By day, he leads in finance, but his heart belongs to being the "fun uncle." He is the patient listener every child needs—the kind of dad who offers a strong shoulder to lean on and a calm hand to hold.

The Dad Factor:

He's a trivia buff who can't wait to fill the dinner table with "did you know?" facts and quiet, cozy evenings.

His Promise:

To provide a peaceful, secure foundation where a child always feels heard and safe.

*Together, we offer a home that is the perfect mix of quiet security and joyful adventure.
We are so ready to give a child a lifetime of support, laughter, and unconditional love.*

Our Village: *A Circle of Love*

Your child will not just be joining two dads; they will be stepping into a **vibrant, ready-made village** that is already overflowing with excitement.

We have a community of 'aunties' and 'uncles' from our siblings to our lifelong friends who are counting down the days to meet them. This is a **diverse, loving circle** where your child will be celebrated for exactly who they are.

Whether it's a quiet afternoon gardening in the backyard or a big family holiday filled with music and laughter, they will grow up surrounded by a **support system** that values kindness, respect, and constant encouragement.

Our *Nurturing* Hearts

Our home is filled with the joyful energy of Henry, our rescued Husky-Lab mix, whom we've raised since he was a puppy. Whether we are playing backyard games or out on long walks, Henry keeps us active and laughing.

He's already practicing his "big brother" skills and reminds us every day of the unconditional love that fills our home.

Our *Heartfelt* Promise to You and a Commitment to Your Child

We promise to **nurture their individuality, support their dreams, and ensure they always feel loved and valued.** Education and exploration will be central to their upbringing, as we encourage curiosity and growth through travel, learning, and new experiences.

We want you to know this from the bottom of our hearts: We will honor your story from day one. **Your child will grow up knowing that your bravery and your selfless love are the reasons we became a family.** **Your strength will be the foundation of their identity, and we will speak your name with profound respect.**

Thank you for considering us as potential parents for your child. We would be honored to learn more about you and your hopes for the future. Please know that no matter the path you choose, you have our utmost respect and admiration.

**With deepest love and gratitude,
Prasad and Michael**
