

Hello!

Our thoughts go out to you in what in what must be a very difficult time. Your courage inspires us and we would love to be a part of your story!

We have always wanted to have a family, but after being told of our inability to have children we decided adoption is the right choice for us. We are extremely excited for what the future holds!

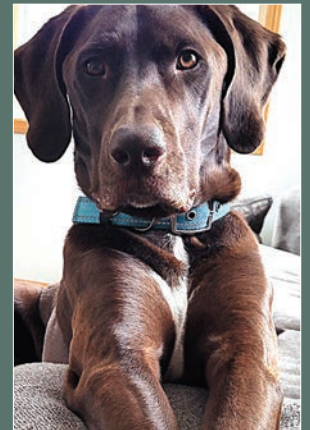

BRANDEE & PAUL

Brandee & Paul in a Nutshell

We met in college living in the same apartment complex as neighbors, while both pursuing a degree in Natural Resources. Dating for three years before tying the knot in 2013, we have now been happily married for 12 years. We are truly blessed to live in the Brainerd lakes area, and we get to spend everyday living the cabin life in our home in our small and friendly community.

Our Pets: Blaze, Susie, and Sam

Feel free to Call or Text us at 218-831-1089 Or email us at pbkedrowski@gmail.com

OUTDOORS

We like to spend our time together exploring any one of our many hobbies depending on the season. Everything from hiking, camping, swimming, boating, metal detecting, rock picking, to ice fishing, snow shoeing, and snowmobiling.

HOBBIES

We have a lot of shared hobbies but individually, Paul loves sports, building things from scratch, and reading.

Brandee enjoys looking for rocks and fossils, crafting, star gazing, metal detecting, and spending time with our animals.

FAMILY

We both have amazing families, both close and extended, with 10 nieces and nephews we are lucky to be watching them as they grow.

FOOD

One of our favorite things to do is cook at home. Paul is an amazing cook! We like to host a lot of events with friends and family.

CAREERS

Our love of nature has led us both to work careers outdoors. We both work for the State of Minnesota in the Department of Natural Resources.

Paul is a forester, and Brandee is in invasive species management. Our jobs also allow us to focus on family life.

THANKS

Thank you for reading about us and considering us for your child. There is only so much that can be said in this letter. We would love the opportunity to connect, share stories with you, and help be a part of your decision and journey.

Thank you again! Brandee and Paul
