

CLETUS & MIRIAH

Hello! We are Cletus and Miriah. Our lives are full of love, laughter, adventure, and family. While we don't know you, we really hope to meet you. We imagine this decision can't be easy, and we admire your incredible strength and courage.

Being unable to biologically have a child, we knew right away that adoption was the route we wanted to take to build our family! Spending time with our friends and siblings' children makes us so excited to become adoptive parents and join in on the fun!

FAMILY AND FRIENDS

We are so blessed to have all our family living within a half hour of our home! Most weekends are spent with our family and friends for meals, gatherings, or adventures together! Both our families are incredibly supportive and very excited about our adoption journey!

OUR HOME

We live on 14 acres in central Minnesota. Here, we have been building our dream life by creating a home and property we love. We love to be outdoors with our three dogs, two cats, and many chickens!

Fun fact: Judge attends school on a weekly basis as a therapy dog. He takes his job with middle schoolers very seriously!

ABOUT MIRIAH

by Cletus

Loving, caring and nurturing; Miriah is spontaneous, goofy and always ready to have fun! She is organized, planful and loves to cook and bake. Miriah is determined to be a mom - I know she will be awesome!

Miriah works as a school social worker enjoying every day with middle schoolers, yet also appreciates having her summers off! She loves coaching 9th grade softball, hunting, boating, cooking, crafts and spending time with her many cousins, friends, family and her godchildren.

Together, we love being at home, four wheeling, being outside, gardening, camping and watching Minnesota sports.

ABOUT CLETUS

by Miriah

Cletus is beyond patient; kind to everyone, selfless and always respectful. He goes out of his way to help and support others. Cletus is understanding, hard working and always does what is best for our relationship. I have no doubt that he will be a great role model and dad!

Cletus works as a union pipe fitter and enjoys his job. He loves to be out in the garage working on anything with an engine, woodworking, welding and bringing Miriah's DIY projects to life.

Our hearts and prayers go out to you during this stressful and emotional time. Thank you for reading our letter and considering us in your adoption plan. Please feel free to call, text or email us at any time. We would love to connect with you!
