

NOLAN & CONOR

HELLO!

Thank you for taking the time to read our letter! We deeply admire your strength, bravery, and love for your child during this difficult decision. We have always wished to be parents and would be honored to be a part of your child's life. We are happy to maintain a relationship with you as your child grows, if that's something you want. Ultimately, **we want what's best for both you and your child**, wherever that journey leads!

OUR STORY

We met the old-fashioned way (on Tinder, of course!) in 2018, and married in 2023. We live in a beautiful 100-year-old home in our **dream neighborhood by Lake Harriet in Minneapolis**. Our neighborhood is **filled with kids**, and we love to walk to nearby parks, shops, restaurants, and around the lake. Our home is **filled with laughter, music, art, and books**. We are so excited to be parents!

WE LOVE...

- Throwing dinner parties
- Going to the movies
- Seeing live music, art, and theater
- Staying active (Conor does **flying trapeze** and Nolan is in a **dodgeball league!**)
- Game nights
- Going out dancing with friends
