MNUFC Game

Our two well-loved pets: **ROSIE**, a sweetheart, is happiest when snuggled up with us or making new friends. **MILO**, our sassy Quaker Parrot, keeps us laughing with his big personality.

Our Story

Our story began online, spending hours together before finally meeting in person. We knew that we had found something special! Four years later, we were married!

Happily married, we continue to build a life filled with love, laughter, and adventure. We live in a welcoming rural Minnesota community where neighbors know one another, children play together, and friends become family!

Hello!

We are so grateful that this letter has found you. We can only imagine how much love, strength, and courage it takes to consider adoption, and we are honored that you are taking the time to learn about us.

Building our family has been a journey filled with hope, heartache, and perseverance. After multiple losses and difficult moments, we chose adoption because we know that love—not biology—is what makes a family!

We welcome an open adoption plan if you are comfortable. If you choose us, we promise to love, nurture, celebrate, and provide a home filled with laughter and support.

Life With Us

Outdoors

We are an active family who loves the outdoors and nature! We enjoy taking neighborhood walks, hiking trails, and spending time at our family lake cabin.

Music

Music fills our home with joy. We listen to everything- classical, country, alternative, pop, Christian, and jazz. It's not unusual to find us singing and dancing in the kitchen! We love attending local outdoor concerts in the summer!

Thank you!

for taking the time to read about us and consider our family. We would be honored to have the opportunity to surround your child with love, encouragement, and support. We would love the opportunity to connect and walk alongside you on this journey!

Family

Family is at the center of our lives and is our greatest priority. With family living close, we cherish all the time we get to spend gathered together! Our families are so excited to welcome a child by adoption.

With love, James and Rachel
